Are impossible Without Rich,
Red Blood—A Detroit Wo-
man Expresses an
Opinion.

The tonic treatment with Dr. Williams' Pink Pills for run-down conditions of the health is based on sound medical principles and on common sense. More and more men and women are beginning to realize that pure, red blood means health, and that the efficiency of any tissue or organ is entirely dependent upon the quality of the blood.

There are thousands of people, who are without ambition or strength to do their day's work and who are always tired out, have but little appetite and a poor digestion, cannot get a refreshing night's sleep and are subject to headaches, backaches and nervousness because their blood is impure.

Dr. Williams' Pink Pills give quick relief, and permanently cure such men and women, because they purify and build up the blood to its normal strength. As the blood becomes pure and red it strengthens the muscles, tones up the nerves, makes the stomach capable of digesting the food, and repairs the wastes caused by growth and work.

Mrs. George Morgan, of No. 115 Twenty-third Street, Detroit, Mich., says:

"I suffered with general debility for over a year after gradually declining in health from overwork. I had but little blood, no strength or ambition, and was weak and thin. My appetite was poor. I was reduced in flesh and was all tired out. I felt miserable all the time and could not do any work. I was sent on a visit to relatives with the hope that a change would benefit me, but after several weeks I had not improved.

"Most of this time I was taking the doctor's medicine without benefit and was getting discouraged. My aunt urged me to try Dr. Williams' Pink Pills. They gave me a better appetite. I gained in flesh and strength and soon the pills until cured. Since then I have been strong, robust and healthy."

A booklet, "Diseases of the Blood," showing what Dr. Williams' Pink Pills have done in anemia and other blood diseases, will be sent free upon request. Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, post-paid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Shenectady, N. Y.

Auto Turns Turtle and Its Occupants Are Badly Injured.

[Special to The Times-Dispatch.]
HOT SPRINGS, VA., July 12.—Charles Hamill, of Chicago, and a party, including Mrs. Neany and Mrs. Katherine Smith, of Washington, who were making an automobile tour of Virginia, met with a serious accident while crossing Cole's Mountain, nine miles from here, yesterday afternoon, when the machine turned turtle and went over the steep cliff on the mountain-side. The occupants, who were pinned under the debris of the wrecked machine, were badly hurt and bruised. They were taken to the Warm Springs Hotel by a farmer, and this morning it was discovered that while the other members of the party escaped with bruises and scratches, Mr. Hamill was internally injured.

**ORGANIZATION CONTROLS
ROCKBRIDGE CONVENTION.**

[Special to The Times-Dispatch.]
LEXINGTON, VA., July 12.—The Republicans of Rockbridge held their county convention today and named delegates to the State convention at Newport News, July 23, to nominate a candidate for Governor. The nomination of a candidate for the House of Delegates from Rockbridge and Buena Vista was postponed to August 7. J. Lucian Hamilton, Walter E. Quisenberry and Robert E. Hutton are mentioned as probable candidates. Resolutions were adopted endorsing the administration of President Taft and the course of State Chairman Siemp. The organization controlled the convention. J. A. Conner was chairman and F. C. Tankersley, secretary.

The Finance Committee met this afternoon to open proposals for the \$150,000 of new 4 per cent. city bonds, to be issued for public schools and street improvement purposes. The \$30,000 of school building bonds were sold to various parties, including the City Sinking Fund, at par and interest. The \$120,000 of street improvement bonds were not sold, but were reserved for sale by the Finance Committee later on.

Fire at Disputants.
The Colored Odd-Fellows' building at Disputants, in Prince George county, was burned to the ground at an early hour Saturday morning, and nothing seems to have been saved from it. The building was the place of meeting of other secret colored orders—the True Reformers, the Masons, St. Luke's Society and others—all of which lost their regalia, records and books, with furniture, heaters and other property. About \$30 in money was also lost. It is not known how the fire originated. The total loss is estimated at about \$10,000.

Nat Inge, the young white man who shot Leroy Moore in the hand at the latter's home on West Washington Street Saturday night, and then surrendered himself at the police station, this morning sent on to the grand jury by the Police Justice. The two men are brothers-in-law. Moore's wife being Inge's sister. The evidence showed that Inge and his father heard that Moore was ill-treating his wife, and they went to inquire about it. The elder Inge testified that Moore slapped him and ordered him out of the house. The younger Inge shot at Moore and wounded him in the right hand. Mrs. Wells testified that Moore threatened both her and her sister, Mrs. Moore, with a razor.

Political and Other News.
The announcement by James T. Ashby, of Swift Creek, of his candidacy for the House of Delegates has started the political ball to rolling in a very active manner in this section of Chesterfield. It will be a personal canvass by Mr. Ashby and Captain Baker, and every voter will doubtless be seen by the two candidates before the August primary.

The situation in Petersburg is very quiet. There will probably be but one Democratic candidate for the House of Delegates—Samuel W. Zimmer—and he will be declared the nominee. From Dinwiddie county comes the rumor that Thomas E. Clarke, who has been declared the Democratic nominee for the House, may have opposition at the general election in the form of an independent candidate. The truth of this report cannot yet be substantiated.

The convict force in Chesterfield is now engaged at work on the Turnpike Road, just across the river from Petersburg. Five miles of this road are to be thoroughly and permanently improved out from the city, the money for which has all been raised and is in bank.

Sale of Fruit and Nut Journal.
The American Fruit and Nut Journal, a handsome monthly publication in this city, was sold at auction today by the Southside Realty Company. The sale carried with it a two-thirds interest in a peach nursery in Chesterfield county, and that property was purchased by E. Gill Hinton on a bid of \$1,000.

The delegates from the Methodist churches in this city and vicinity to the Petersburg District Conference, which meets in Lawrenceville to-morrow for a three days' session, will leave in the morning. Much business to the churches in the district will be considered, and lay delegates to the next Virginia Conference will be elected.

The Baptist Sunday School Association of Petersburg and vicinity held its regular monthly meeting yesterday afternoon in the First Baptist Church. The schools were all well represented, and encouraging reports of the past month's organization, and attendance were read. Rev. J. T. Watts delivered the address.

RALEIGH, N. C., July 12.—Both Southern and Seaboard Air Line traffic was tied up for more than six hours here today by northbound Seaboard passenger train crashing into Southern freight No. 136 at Cary, where the two roads cross. It was a forty-car freight, and the Seaboard passenger engine struck about the middle car loaded with lumber. Most serious damage was to the engine. The lumber car was demolished and several other cars were injured. The freight was standing still, or the damage would have been far greater. Engineer Craddock, of the Seaboard, was slightly injured.

[Special to The Times-Dispatch.]
FRONT ROYAL, VA., July 12.—As C. J. Nicodemus and D. W. Bockey, of Winchester, insurance collectors, were returning home after attending to business here, they were met on the highway by an automobile bearing a Pennsylvania license. Their horse took fright and Mr. Bockey jumped, breaking his leg. The autoists brought him here for medical attention, but refused to give their names or offer any further assistance to the injured man. Nicodemus escaped injury.

WINSTON-SALEM, N. C., July 12.—The reports of tax-listers for Winston-Salem show an increase of over 500,000 in property valuations this year over last.

Cutting Down Their Speed.
Raleigh automobiles are likely to raise a mighty protest very soon now against a city ordinance that has been passed for three years past, unenforced, that prohibits machines from making more than six miles an hour anywhere in the corporate limits. J. P. Stell, the Chief of Police, is preparing to have a rigid enforcement of the ordinance, in fact, of every ordinance. He will insist that if there are good reasons why any should not be enforced then they must be repealed.

It is a fact that some of the larger machines here could not run with any degree of satisfaction at so low a speed as six miles an hour. Suit was instituted today in the Superior Court by B. G. Ennis against the Raleigh and Southport Railroad Company, for \$2,000 damages alleged to have been sustained by reason of fire started in timber lands by sparks from engines that had defective spark-arresters.

Charter Issued.

The Whitlock Clothing Company, Asheville, receives a charter for dealing in men's, women's and children's clothing of all kinds, the capital being \$50,000 authorized and \$25,000 subscribed, the incorporators being B. Whitlock, L. Leon Whitlock and Mrs. S. K. Whitlock.

[Special to The Times-Dispatch.]
SUFFOLK, VA., July 12.—Accused of tunneling under four buildings and looting the Bank of Suffolk's vault last April, George A. Wilkins, "Dynamite" Wilkins, this afternoon indicted twice in Nansemond Circuit Court, one charge bank breaking, the other carrying burglars' tools. Wilkins, whose trial is set for July 29, will be defended by State Senator E. Holland, who is president of the Farmers' Bank of Nansemond. Wilkins, an aged man, is by profession an artisan well borer and stump blower, and is an expert with dynamite. He was captured in Portsmouth with burglars' tools and a diagram of the burglarized bank.

Gets Two Years.

Carr Whitaker, aged eighteen, of Bangor, Me., this afternoon in Nansemond Circuit Court, was given two years in State's prison for stealing an orange from G. A. Gardner's store. Whitaker said he left home two years ago to see the world; had seen chain gang service in several States and stole the orange because he had not eaten in two days. Whitaker was tried, for for misplacing a railroad switch lamp, yesterday afternoon. The other penalty for which is one to ten years. He was acquitted on that charge.

A gang of five white boys, of Holland, confessed to chicken stealing. The oldest, Solomon Butler, eighteen, was given three months. The others were punished by relatives and released.

in The Murder.**
[Special to The Times-Dispatch.]
LEESBURG, VA., July 12.—Roscoe Berry, a negro of bad reputation, shot and killed Eva Douglas, wife of Joshua Douglas, at a negro picnic held at Alberta yesterday afternoon. The trouble arose over the possession of a cup of water at a spring. Berry began shooting when the cup was refused him. Berry escaped, but was captured this morning.

At the same time in another section of the county, near Clark's Gap, Elwood Gaskins was killed, Dick Walker mortally wounded and Frank Taylor seriously hurt as the result of a shooting affair during a colored festival. Taylor, representing remarks made about the music, began shooting at Gaskins, the bullet severing the jugular vein. Gaskins, in turn, wounded Walker and hit Taylor, both of whom are in a precarious condition. Taylor is in jail and Walker was sent to the hospital.

**CLIFTON FORGE VOTERS
DEFEAT BOND ISSUE**

[Special to The Times-Dispatch.]
CLIFTON FORGE, VA., July 12.—In a special election held here today to determine whether the city should issue bonds for the erection of a city house and jail, a majority of twenty-two was returned against the issue. The site for the two buildings was selected at a meeting held a month or two ago, but when it came to providing the money the Council decided to let the voters determine whether to increase the bonded indebtedness of the city. Contrary to expectations, a large vote was polled, as no interest was manifested in the contest until within a few days before the election. Judge Anderson, of the Circuit Court, has condemned the present jail, and it is up to the Council to provide a new one. More than 300 votes were polled, 150 for bonds and 173 against bonds.

Many Offices; Few Candidates.

[Special to The Times-Dispatch.]
ALEXANDRIA, Va., July 12.—When City Council meets to-morrow night a number of important city offices will be filled, among them the following: Keeper of the Almshouse, Overseer of Poor, Health Officer, Weigher of Hay, Chief of Fire Department, member of

the Board of Police Commissioners from the Second Ward, Dispensers of Medicine, four Fire Wardens, Steward of Almshouse, and the Health Officer and Keeper of the Almshouse will have opposition. So far as known there will be no opposition for any of the other offices.

Killed in Washington.

[Special to The Times-Dispatch.]
ALEXANDRIA, VA., July 12.—E. W. McLearn, who was killed in Washington this morning by coming in contact with the overhead bridge at Tenth Street, while on a freight car, was a former resident of this city. The dead man was coming to Alexandria to receive his pay. He was a son of Frank McLearn, this city. The body was brought here this evening and prepared for burial. McLearn was seventy-seven years old, and was employed by the Pennsylvania Railroad Company.

Farewell Service.

[Special to The Times-Dispatch.]
WINSTON-SALEM, N. C., July 12.—The farewell service of the Great Torrey meeting was held this afternoon, the warehouse being packed. The noted evangelist and his helpers departed for their homes to-night. During the revival there were about 1,525 conversions. Forty meetings were held at the warehouse, and the total attendance was over 60,000.
